

2018 Southeastern Vitreoretinal Seminar (SEVR)

Friday and Saturday, April 13-14

Don't miss this opportunity to meet and share information with other vitreoretinal specialists in an open, intellectually demanding, collaborative environment. Participants are invited to bring case presentations on vitreoretinal surgery, retinal diseases, medical retinal treatments and other related topics. This program is designed for ophthalmologists caring for patients with vitreoretinal pathology and will cover a spectrum of disease including retinal vascular disease, uveitis, ocular tumors, retinal degenerations, and vitreoretinal surgery.

EMORY
EYE CENTER

East Lake Golf Club, 2575 Alston Drive SE, Atlanta, GA 30317

We are delighted to announce that Daniel F. Martin, MD, professor and chair, Cleveland Clinic Cole Eye Institute, will be our keynote speaker. This year's invited guest lecturers and program faculty include Charlie Wykoff, MD, of Retina Consultants of Houston and Christina Flaxel, MD, of the Casey Eye Institute, Oregon Health and Science University.

Emory's Retina and Uveitis faculty will present interesting cases, lead discussions on current controversies in retina care, and moderate the case discussions amongst the attendees.
