Message from Allen Beck, MD
Interim Chair and Director, Emory Eye Center
William and Clara Redmond Professor of Ophthalmology
Section of Glaucoma

Welcome to the Emory Eye Center’s 2018-19 schedule of Grand Rounds, Conferences and Vision Research Seminars. We have an impressive lineup of sessions covering every subspecialty of ophthalmology and will also be hosting more than a dozen outstanding clinicians and researchers from across the U.S.

We invite you to join us as often as you are able and look forward to learning together.
2018-19 Grand Rounds (GR), Conferences & Vision Research Seminars (VRS)

**August 2018**
- **3** Cornea GR
- **10** Glaucoma GR
  - Host: Allen Beck, MD, Emory Eye Center
- **14** Cornea GR
- **21** Pediatric Ophthalmology GR: Knights Templar Lecture
  - "The inside story on myopia and time outdoors."
  - Host: Jason Peragallo, MD, Emory Eye Center

**September 2018**
- **7** Faculty GR
- **26** Research GR: "When policy meets physiology: The challenge of reducing resident work hours."
  - Host: John Nickerson, MD, Emory Eye Hospital, Philadelphia

**October 2018**
- **5** Neuro-Ophthalmology GR
  - "Animal model studies."
  - Host: Arun Singh, MD, Cole Eye Institute, Cleveland
- **12** Pediatric Ophthalmology GR: Anterior segment optical coherence tomography of the extraocular muscles: Is one machine better than the others?
  - Host: Hans E. Grosniklaus, MD, MBA, Emory Eye Center
  - Host: Shane Mulvihill, OD, Emory Eye Center
- **26** Research GR
  - "Lions Low Vision Rehabilitation Network (LOVRNET); How community service volunteers help clinicians overcome barriers to providing low vision rehabilitation."
  - Host: Robert W. Massof, PhD, Johns Hopkins University School of Medicine, Baltimore

**November 2018**
- **2** Retina GR
- **9** Oculoplastics GR
  - "Pediatric kerato-conus and corneal crosslinking."
  - Host: Machelle Pardue, PhD, CVNR, Atlanta VA Medical Center
- **31** Ocular Pathology/Oncology GR
  - "Important issues for us all."
  - Host: Allen Beck, MD, Emory Eye Center

**December 2018**
- **7** Low Vision GR
  - "Measuring human melanopsin function."
  - Host: Susan Primo, OD, MPH, FFAO, Emory Eye Center
- **26** Research GR
  - "Next generation of glaucoma drugs."
  - Host: W. Daniel Stamer, MD, Duke University, Durham

**January 2019**
- **4** Oculoplastics GR
  - "Microglia in the retina: Roles in health, aging, and disease."
  - Host: Jeffrey Boatright, PhD, Emory Eye Center, Atlanta VA Medical Center
- **11** General GR
  - "Rigorous patient-centered outcome measures to quantify the effectiveness of low vision rehabilitation."
  - Host: Susan Primo, OD, MPH, FFAO, Emory Eye Center

**February 2019**
- **1** General GR
  - "Insights into SD-OCT data."
  - Host: Neriad Jain, MD, Emory Eye Center
- **7** Vision Research Seminar (VRS)
  - "Microglia in the retina: Roles in health, aging, and disease."
  - Host: C. Ross Ethier, PhD, Georgia Institute of Technology and Emory University
- **8** Neuro-Ophthalmology GR
  - "Restoring conventional outflow function: The next generation of glaucoma drugs."
  - Host: W. Daniel Stamer, MD, Duke University, Durham
- **15** General GR
  - "Microglia in the retina: Roles in health, aging, and disease."
  - Host: C. Ross Ethier, PhD, Georgia Institute of Technology and Emory University

**March 2019**
- **3** Contact Lens GR
  - "Advances in computer-aided disease prediction."
  - Host: Theodore Leng, MD, Stanford University, Stanford
- **7** Vision Research Seminar (VRS)
  - "Microglia in the retina: Roles in health, aging, and disease."
  - Host: C. Ross Ethier, PhD, Georgia Institute of Technology and Emory University
- **8** Comprehensive GR
  - "Prevalence of visual impairments in the U.S.:
  - "Prevalence of visual impairments in the U.S."
  - Host: Allen Beck, MD, Emory Eye Center

**April 2019**
- **5** Faculty GR
  - "Pediatric kerato-conus and corneal crosslinking."
  - Host: Machelle Pardue, PhD, CVNR, Atlanta VA Medical Center

**May 2019**
- **22** Research GR
  - "Microglia in the retina: Roles in health, aging, and disease."
  - Host: C. Ross Ethier, PhD, Georgia Institute of Technology and Emory University

**June 2019**
- **8** Residents & Fellows Graduation
  - "Rigorous patient-centered outcome measures to quantify the effectiveness of low vision rehabilitation."
  - Host: Susan Primo, OD, MPH, FFAO, Emory Eye Center
- **15-16** Southeastern Vitreoretinal Conference
  - **15** 8AM The Paul Sterberg Jr. Lecture:
    - "Pediatric kerato-conus and corneal crosslinking."
    - Host: Erin Stahl, MD, University of Iowa Eye Center
    - Location: TBD
    - Host: Allen Beck, MD, Emory Eye Center

**August 2019**
- **1** General GR
  - "Rigorous patient-centered outcome measures to quantify the effectiveness of low vision rehabilitation."
  - Host: Susan Primo, OD, MPH, FFAO, Emory Eye Center
- **8** Neuro-Ophthalmology GR
  - "Rigorous patient-centered outcome measures to quantify the effectiveness of low vision rehabilitation."
  - Host: Susan Primo, OD, MPH, FFAO, Emory Eye Center
- **15** General GR
  - "Rigorous patient-centered outcome measures to quantify the effectiveness of low vision rehabilitation."
  - Host: Susan Primo, OD, MPH, FFAO, Emory Eye Center

**September 2019**
- **3** Contact Lens GR
  - "Advances in computer-aided disease prediction."
  - Host: Theodore Leng, MD, Stanford University, Stanford
- **10** Pediatric Ophthalmology GR
  - "Prevalence of visual impairment and achievement of examination in an eye clinic for patients with disabilities . . . ."
  - Host: Machelle Pardue, PhD, CVNR, Atlanta VA Medical Center

**October 2019**
- **17** Glaucoma GR
  - "Advances in computer-aided disease prediction."
  - Host: Theodore Leng, MD, Stanford University, Stanford
- **24** General GR
  - "Prevalence of visual impairment and achievement of examination in an eye clinic for patients with disabilities . . . ."
  - Host: Machelle Pardue, PhD, CVNR, Atlanta VA Medical Center

**November 2019**
- **31** Ocular Pathology/Oncology GR
  - "Prevalence of visual impairment and achievement of examination in an eye clinic for patients with disabilities . . . ."
  - Host: Machelle Pardue, PhD, CVNR, Atlanta VA Medical Center

**December 2019**
- **14** Cornea GR
  - "Prevalence of visual impairment and achievement of examination in an eye clinic for patients with disabilities . . . ."
  - Host: Machelle Pardue, PhD, CVNR, Atlanta VA Medical Center
- **28** General GR
  - "Prevalence of visual impairment and achievement of examination in an eye clinic for patients with disabilities . . . ."
  - Host: Machelle Pardue, PhD, CVNR, Atlanta VA Medical Center

**January 2020**
- **19** **Neuro-Ophthalmology GR**
  - "Prevalence of visual impairment and achievement of examination in an eye clinic for patients with disabilities . . . ."
  - Host: Machelle Pardue, PhD, CVNR, Atlanta VA Medical Center

**February 2020**
- **26** Oculoplastics GR
  - "Prevalence of visual impairment and achievement of examination in an eye clinic for patients with disabilities . . . ."
  - Host: Machelle Pardue, PhD, CVNR, Atlanta VA Medical Center

Locations: All events are held in Emory Eye Center’s Calhoun Auditorium, unless otherwise listed.

Emory Eye Center, Calhoun Auditorium
LRC, T level, Emory Clinic, Bldg. B
1364 Clifton Rd., NE, Atlanta, GA 30322

Emory Eye Center, 2nd Floor, E Wing
1364 Clifton Rd., NE, Atlanta, GA 30307
